our year

A year has come, a year has passed,
 The memories of this year will last;
 The classes we passed,
 The work that we've done,
 The victory and triumph
 Over games we have won,
 The band and the chorus
 Coming up with a song,
 The gains and the losses
 And the things that went wrong.
 The things that did happen,
 And all we went through,
 Made up the fine year
 Of Seventy-two!

We've Only Just Begun

August 30, 1971, started as a normal school year for most students, but for the freshman it was a new exciting experience. On September 10, they were initiated as official student members of FHS. Later that evening they were welcomed at the Freshman Handshake Dance.

Having toured the campus and met the teachers and staff on step-up day last spring, the freshmen were not complete strangers. They adjusted quickly to the high school routine. They were off to a good start, winning the sign competition at the handshake dance.

Spirit Leads The Way

For Sophs

OFFICERS AND SPONSORS: 1st Row: Steve Bramlett, treasurer; Carolyn Pensyl, secretary; Charles Goff, vice-president; 2nd Row: Mrs. Donna Westfall, sponsor; Gary Adams, sponsor; Greg Celaya, president; Darrel LeDe, sponsor

The sophomores have had an excellent year in many ways, but they will be remembered best for their outstanding school spirit. They excelled during Homecoming week, walking off with first place awards in the following events: the penny race, the most spirited class, and the most original float. This year's sophomore class has shown the school what SPIRIT really means.

Three Down, One To Go

The juniors have broken a long-bound tradition by doing away with the Junior-Senior Prom! In its place, they have chosen to give the seniors a banquet, followed by an informal dance.

However, they didn't break the tradition of working hard to earn money for their "Prom." They had a number of fund-raising projects - but, as usual, the concession stand proved the most profitable.

The class carried their tradition breaking even farther by choosing a completely different style of class ring. So far, the junior class has been unique their first three years, and they are looking forward to a most exciting senior year.

JUNIOR OFFICERS AND SPONSORS: Secretary Bern Joaquin, Vice-president Dinker Holt, Treasurer Martha Garcia; 2nd Row: Jack Hamilton, President Joe Ortiz, Tom Clonts, Miss Marian Crough.

Junior annual staff members working during Christmas vacation exit through the window while the floor is being sealed.

'72 Rules

Kneeling: Jimmy Herndon, vice-president; 2nd Row: Debbie Garcia, secretary; Debbie Valdez, treasurer; Patsy Padilla, president; 3rd Row: Sponsors-Melvin Gardner, Miss Carol Gomes, B. J. Dowdy

When they were freshmen, it seemed as if this moment would never come. In those days, they elected David Padilla president, Geary Diaz vice-president, Patsy Padilla secretary, and Rachel Padilla treasurer. That year passed slowly for the frosh, their one activity being a dance.

As sophomores they were getting used to the high school routine but still just couldn't grab on to the idea that earning money was the thing to do. That year it was Wayne Neely at the head post with Jamie Angley as vice-president and Nancy Lippert as treasurer. Patsy Padilla was again secretary. As sophs they won the homecoming float competition.

The junior year was the year for the class of '72, as now they received their rings and, with a little less than seven months till the prom, got to work to build up their treasury. Most of the money came from the concession stand but a few dances and a raffle also added the pennies. Leading the way for a fine prom that spring at CAC was Patsy Padilla as president, Nancy Lippert vice-president, Dawn Frizzell secretary, and Kathy Kent treasurer. Only one more year to go!

And now, finally after twelve long years, they are seniors - upperclassmen. The year to think, "What will I do next year?" Whatever their thoughts, the time has come to leave. And whatever they do, wherever they go, they will remain a part of FHS and will remain a part of them.

NATIONAL HONOR SOCIETY

Since 1950, National Honor Society has fostered growth in leadership, character, service, and good scholarship among the students of Florence High School. Membership is awarded each year to ten percent of the senior class and to five percent of the junior class.

Eligibility consists of one year of study at this high school, a grade-point average of 2.0, and demonstrated qualities of leadership, character, and service to school and fellow students. Primary selection of candidates is based on scholastic achievement. Then these students are voted on by the faculty as to leadership, character, and service.

Membership is extended to those who receive the highest averages. Members must maintain the standards used as the basis for their selection. Failure to do so will result in

loss of membership, contingent upon a majority vote of the faculty. Members thus ejected from the organization are required to relinquish their pin and membership card, and a report of such action is made to the secretary of the National Council.

For the second successive time, the Florence Chapter has invited outstanding sophomores to honorary membership. Bill Coomer, Jeanne Crawford, and Lee Malmo were the sophomores granted honorary membership for the 1971-72 year.

This year, the Society held a bake sale and sponsored a dance in January after the basketball game with Sahuarita. Proceeds from these projects enabled National Honor Society to purchase pins for new members.

BARBARA RIEFFER

The American Legion Auxiliary sponsors one girl from FHS each year to attend Girls' State in June. Barbara Rieffer was chosen last spring and spent one week at Girls' State held on the campus of the University of Arizona in Tucson. She was selected on the basis of leadership and through an interview.

Barbara was also chosen as this year's Betty Crocker Homemaker of Tomorrow on the basis of a test given by General Mills. Should she be successful at state and at national levels, she would become eligible for substantial scholarship awards.

BOYS' STATE

Wayne Neely and David Wakefield attended Boys' State on June 10th through 17th held on the campus of Northern Arizona University in Flagstaff.

At Boys' State, David ran for county recorder and was appointed by the Federalist party to run for the position of one of the state senators. He made it past the primaries for both positions, but he was defeated in both instances in the general elections. He served as deputy county sheriff and acted as an attorney.

David Wakefield, Wayne Neely

Wayne ran for sheriff of his county and was also a vote counter. Both boys learned about our state government and its functions. The experienced growth in leadership through the actual running of government affairs.

Last year was the first year in which the woodshop class sponsored the Golden Hammer Award.

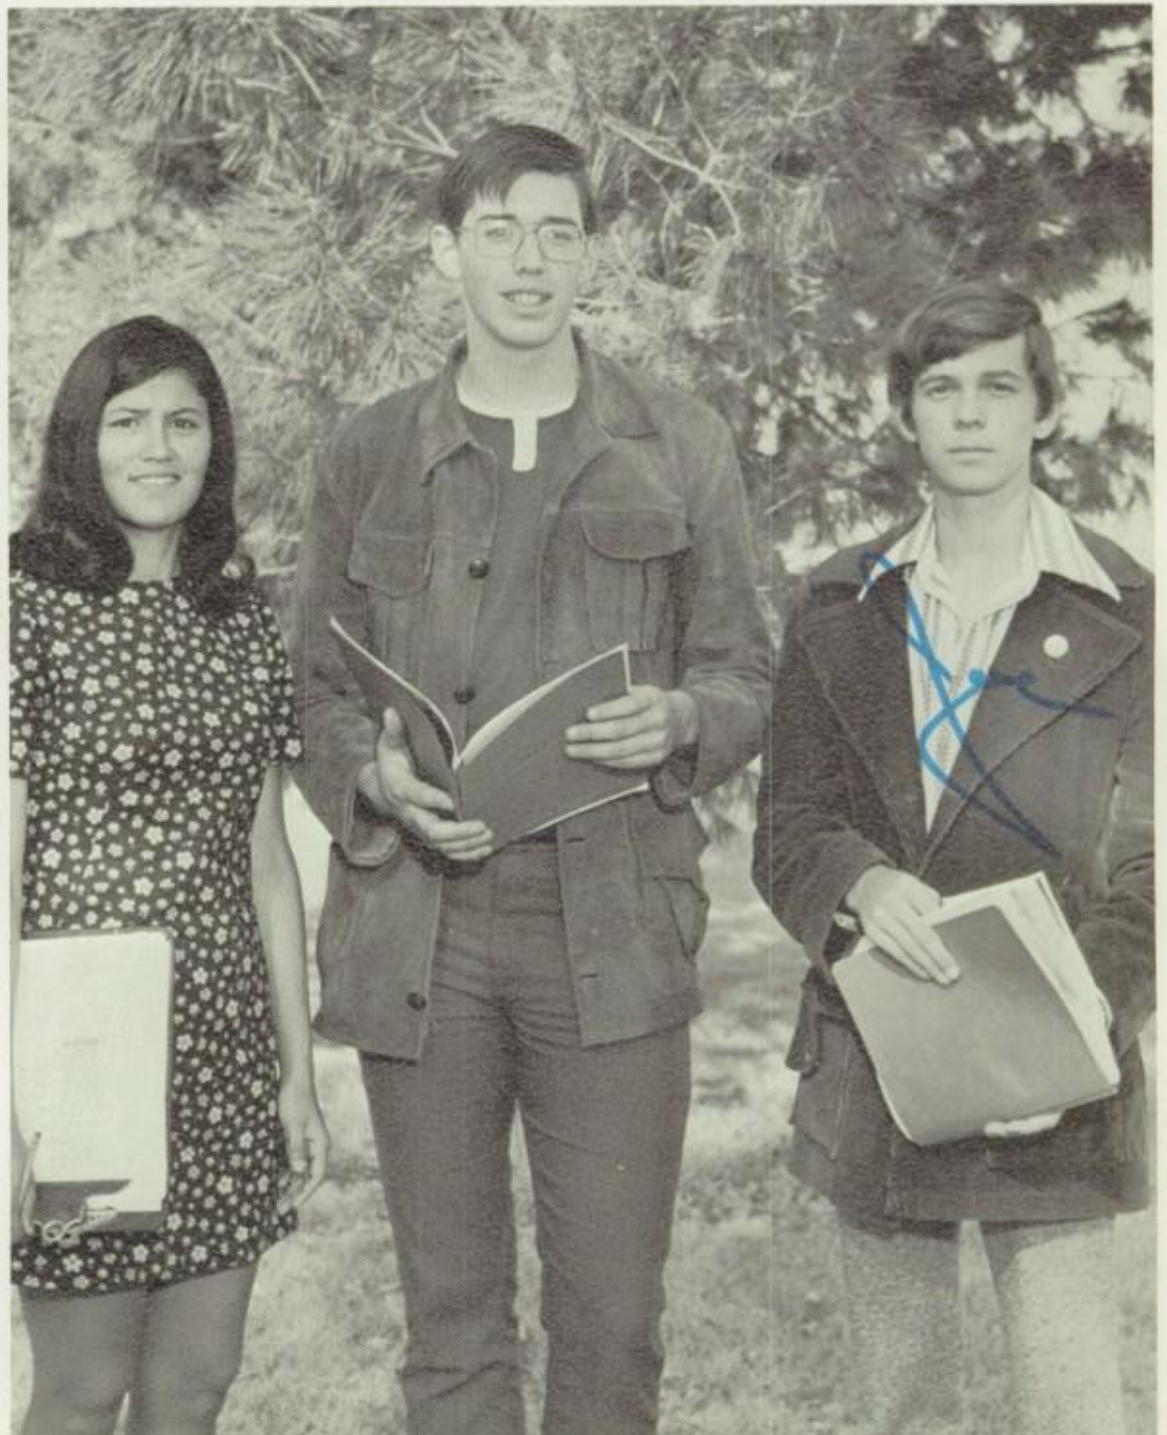

Leroy White received this outstanding honor for his skill, co-operation and in interest in woodshop. Being only a freshman when he received this award proved to be even more of an honor.

The Golden Hammer is now on display in the trophy case.

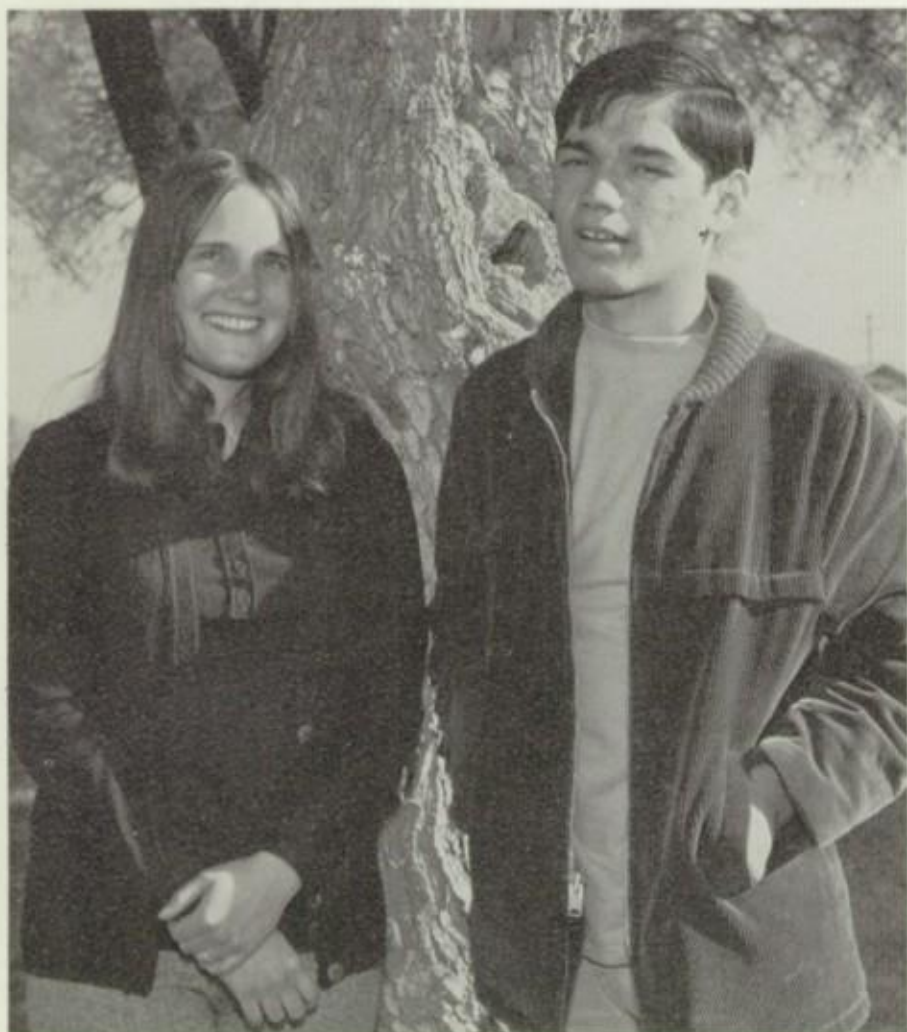

JOURNALISM CAMP

The Saguaro staff has taken on extra projects for the past three years to provide summer scholarships for its members. Joe Ortiz, Martha Garcia, and John Coomer were selected by the staff of '72 to receive full scholarships to attend journalism camp sponsored by Arizona Interscholastic Press Association. The ten-day workshop was held at NAU Campus in Flagstaff in June.

Joe attended photography classes to learn good pictorial techniques. Martha was instructed in the planning and drawing of interesting layouts. John received special instructions for editors from small schools.

OUTSTANDING JUNIORS

At Honors Assembly last spring, Nancy Lippert and David Padilla were presented with the Outstanding Junior awards given by the University of Arizona.

Nancy has been an honor student for four years and a member of National Honor Society for two years. She has displayed unusual leadership ability through the many different offices she has held in various organizations at FHS. She is presently Vice-President of Student Council.

David is serving as President of Student Council. He has been active in sports and in several organizations. During his four years at FHS he has been an honor student and a member of National Honor Society for two years.

STUDENT COUNCIL: Kathy Kent, Dawn Frizzell and Barbara Rieffer, sponsored by Florence High School to repre-

sent us at the Student Council Convention held at Phoenix Union High School this past December

KATHY KENT

The 1972 DAR award went to Kathy Kent who was selected by the Daughters of the American Revolution. This honor is given annually to a senior girl who has proved active throughout her high school years, ranking high in leadership and in service to school and community.

As recipient of the award, Kathy will be required to write a theme in which she must express her own ideas and attitudes concerning citizenship. Her theme will be entered in competition at the state level against candidates from other schools. From among all these entrants, a state winner is to be selected.

In her junior year, Kathy was honored by Arizona State University for her outstanding qualities of scholarship, leadership, and citizenship. She was presented the Medallion at Honors Assembly in May.

VOICE OF DEMOCRACY

Nancy Lippert placed first, Paula Lary second, and Danny Reyes third in community competition for their speeches in the National Voice of Democracy Contest conducted during the fall term by the Veterans of Foreign Wars.

The contest was designed to give high school students the opportunity to voice their opinions on a patriotic theme. Participants in this contest were judged on their interpretation of the theme. Their approach should be positive in addressing themselves to their responsibility to Freedom. Theme for the contest was "My Responsibility to Freedom."

The three winners from Florence and the three from Coolidge were honored at an awards dinner at the VFW Hall in Coolidge. Nancy received a savings bond for her speech and Paula and Danny each were given cash awards.

POM PON CAMP

This past summer five members of the pom pon squad attended camp held at Northern Arizona University. The five-day stay served the purpose of teaching the girls routines, hand movements, techniques to promote more enthusiasm. There were also sessions at which the schools got together to discuss better relations between their squads. The girls worked hard during their stay at camp, following a set schedule each day. The most difficult part was their daily competition against the other schools. For their efforts, these girls brought home one excellent, one outstanding, and two honorable mention ribbons.

J V CHEERLEADERS

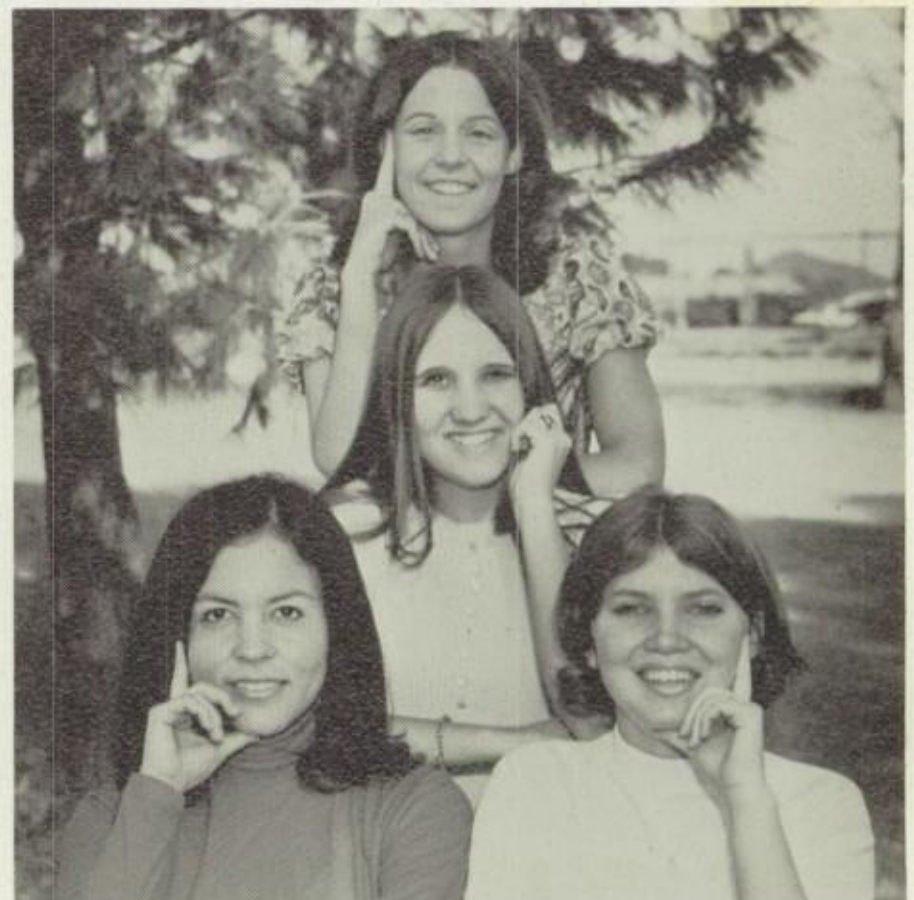

Three members of the JV squad attended summer cheerleading camp at NAU last summer. Since their schedules were the same, they worked along with the Varsity, learning new cheers, going to sessions, and facing tough competition from other schools. Fortune shone on the JV's from the start, for their first competition brought them second highest award, an excellent ribbon. Later they proved their ability by earning two outstanding and three honorable ribbons.

VARSITY EARNS TOP HONOR

Four varsity members went to the Camp of Champs cheering camp at NAU last summer. Like the JV's and Poms, the Varsity followed a strenuous schedule, starting at 8 a.m. and ending with competition against mixed-class schools. The girls earned the "Spirit Stick" award, highest honor for outstanding display of ability in cheering and in show of spirit. Florence Varsity Cheerleaders were also commended on being the first school to earn the Spirit Stick award four times in one week at camp. A school needs to win the Spirit Stock only three times to bring it home. These estatic girls also were awarded two superior, one excellent, and four outstanding ribbons.

PEGGY VILLARREAL

Peggy Villarreal, a junior, attended Majorette Camp at Flagstaff for her second year this summer. She has been a majorette at Florence for three years now. At camp she learned many graceful movements of a twirler, also the art of the many different steps and movements there are in baton twirling. Her fine twirling ability has been a great asset to our community as entertainment for all.

Peggy has said, "I enjoy twirling very much and hope to continue it later on, by teaching it to anyone who is as interested as I am with twirling."

Peggy has won over twenty trophies, medals, and ribbons, all in Arizona, New Mexico, and California. She says she likes to go to contests not only for the twirling, but she also likes to meet all the other people at the contests as well.

TRACK WINNERS

In the state competition held at Mesa Community College last spring, George Ortiz, Rex Neal, Johnny Celaya, and Jimmy Herndon placed first in the 440 relay. Three of the four boys are back to try to take the title again! The Saguaro Staff wishes good luck to these trackmen who are among the most successful athletic competitors at Florence High.

Future Homemakers Of America

Seven Florence girls attended the FHA La Casa de Esperanza District meeting held November 13 on the campus of Casa Grande Union High School. Those attending were Maria Alvarado, Judy Carlson, Tami Clark, Dorothy Joaquin, Josie Lake, Carolyn Pensyl, and Kathleen Robinson. Carolyn ran for the office of District Secretary and Tami ran for the office of District Public Relations Manager. Tami was elected and has taken office. Her duties are to promote activities in the district as well as at FHS. Tami will be attending the state FHA convention in Tempe on the campus of Arizona State University.

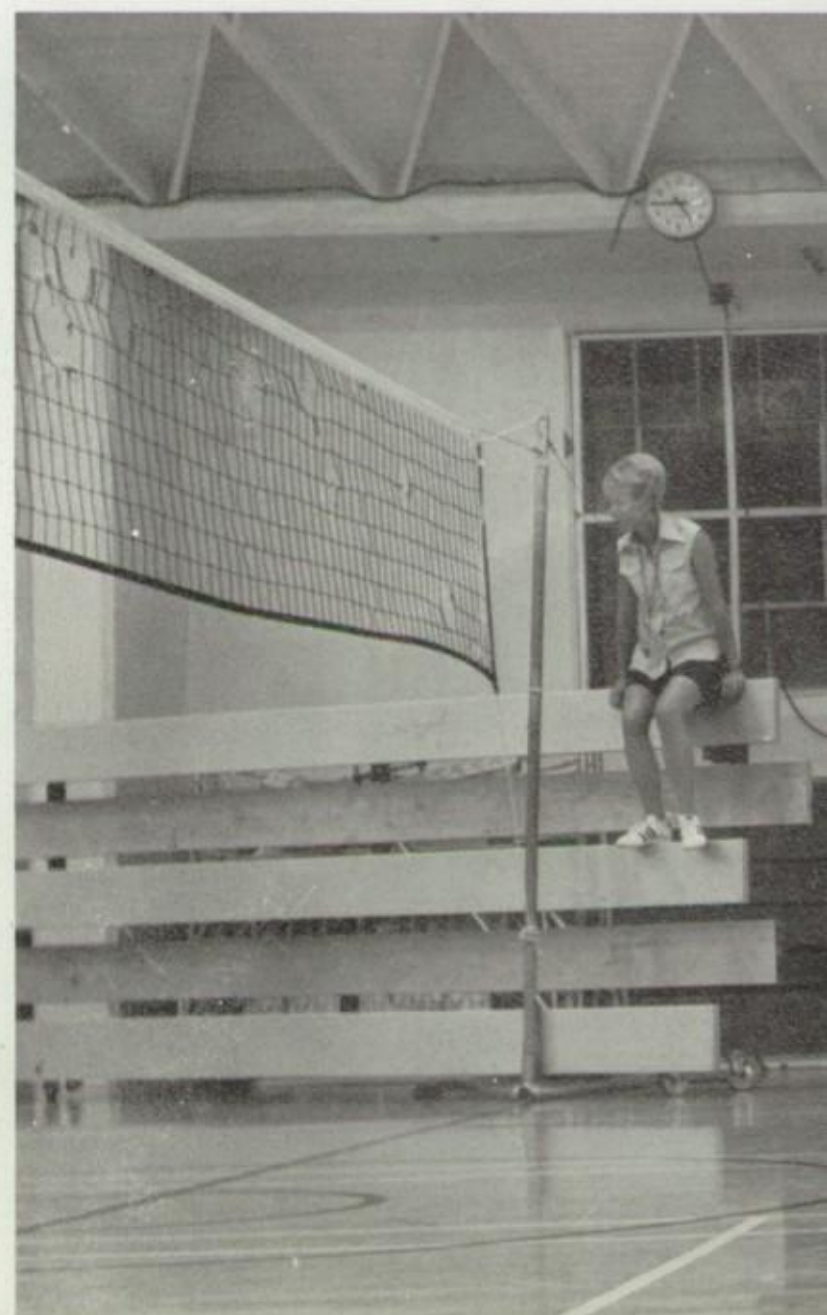

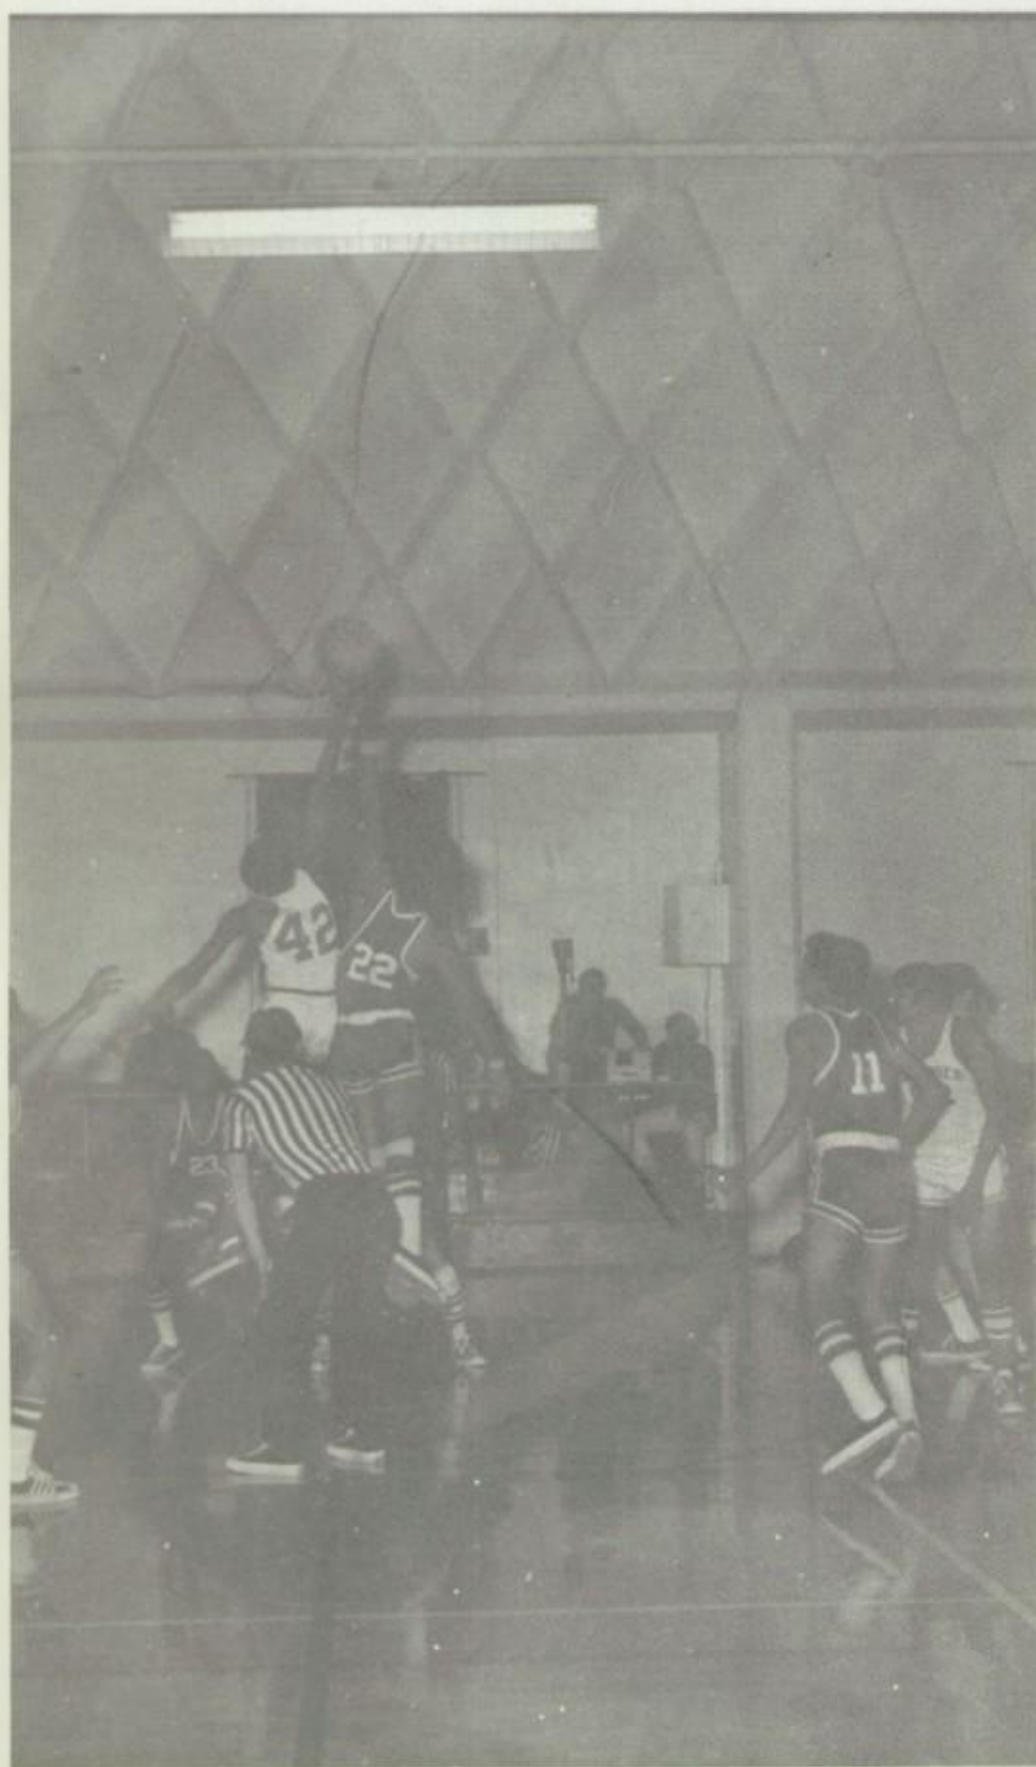

Attending the first annual leadership conference held June 14 - 16 on the U of A campus in Tucson were Josie Lake, Olivia Martinez, Bernadette Joaquin, Carolyn Pensyl and Diane Johnson. Supported by Sears-Roebuck Foundation, this was the first training conference for leaders in Arizona Vocational Education Youth Organizations.

The chance for a state victory slipped through the anxious hands of this year's Gophers. Spirit was high, practice was hard, the team seemed ready. The first game of the season proved different though with a 14-12 loss to Ray. The next game on the list was the annual battle with rivals the Coolidge Bears. The opponents, being ranked third in the state at that time, came to Florence seeking an easy victory; but the bumbling Bears lost their grip and the Gophers shot to a well-earned 9-0 victory.

The remaining season games were all conference. Florence took a down-fall losing the first of these to tough competitors, the Hayden Wolves 7-0. Getting back on the right foot, Florence took the next two games with victories over Baboquivari 61-0 and Tombstone 27-14. Homecoming was next, and the battle was set against number one ranked Gilbert. Florence would have to win this game and the remaining conference games in order to take the conference lead. This was probably the toughest of the games for the 1971 season. Florence fell to the Tigers with the score 3-0.

The Gophers now hoped to close their remaining season with a 6-3 record. They did so with victories over Apache Junction 15-6, Benson 47-14, and Sahuarita 41-14.

All-Conference for B Central Division from Florence were Jamie Angley, offense; George Ortiz, offense; Brent Cooper, offense; Art Encinas, defense; and Rex Neal, defense. Honorable Mention were Wayne Neely, Charles Ruiz, and Rusty Ortiz. All-County selections were Brent Cooper, defense; George Ortiz, defense; and Rex Neal, defense. Honorable Mention All-County were Art Encinas, Charles Ruiz, Eddie Ortega, Wayne Neely, and Jamie Angley.

Success Defines '71 JV's

The '71 Junior Varsity squad coached by Dan Turner ended their football season with a 4-3 record.

The Junior Gophers got off on the right foot by winning their first game against Sahuarita 30-0. Practicing even harder for the next game, the JV's stumbled into defeat to the Ray Bearcats 14-12. Hayden proved not to be as tough a team as they sounded for the night JV's swept to a 22-8 victory the following game. Next, Miami came to Florence fired up, giving our team little competition. Yes, a bad night ending in defeat for the Gophers 34-0. The last three games of the season were indeed tough. Florence ran over the Gilbert Tigers 14-0. Next, they traveled to the rival town of Coolidge only to be defeated by the Cubs 40-0. The last game of the season was a second game against Gilbert. And once again the JV Gophers proved their power with a victory over the Tigers 6-0.

This year's freshman team under the direction of Coach John Borquez had a season with two wins, two losses and one tied game. The team did a fine job of working together and their hours of hard practice and interest in the sport proved to be worthwhile.

The bad news of the season was defeat to Freemont Junior High 34-0 and a loss to the Coolidge Cubs 14-0 in the final game of the season.

The good news of the season came when the little Gophers came back after tying the Cubs 14-14 in the first game on their schedule and edged out Superior in a 7-6 victory. They went on to route Apache Junction 14-0. Congratulations to the Frosh on a good beginning!

We're Number One!

On To State!

If there was ever a team that should be proud of the effort they put forth to become the top-ranked team in their division, it is this year's Gopher Basketball Team. Needless to say, under the direction of one of the finest coaches at FHS, the team ended their season with a spectacular overall record of 17 wins and 6 losses. Four of these losses were to Class A schools which, of course, did not affect our divisional standings.

Opening their season on December 7, the Varsity Gophers played five games before the Christmas Tournament. Three of these were victories, two were losses. During the annual Christmas Tournament, Florence came home in third place, following behind first place Class A Marana and second place AAA Chandler. The team played four games during the tournament, defeating Eloy, Coolidge, and Gilbert but losing to Marana.

After the tournament, the mighty "RED

MACHINE" started out the new year on the right track with five victories in a row. They started for the sixth but were knocked down by one of our toughest competitors, the Gilbert Tigers, with a shattering score of 58-59. This loss really affected our Gophers, causing them to slip from No. 1 in the state to No. 2. Practicing even harder since the season was half over, the team burned up the remaining eight games taking the first five in straight victories. The next game was a loss to the Tombstone Yellowjackets 65-76. With one game remaining, Florence was to meet Benson on our home court. Victory again favored us with the final, dynamic score 83-60.

As we go to press, Florence is on their way to the State Tournament games. Teamwork and their strong desire for victory has allowed the Gophers to go as far as they have. Congratulations from the Saguaro Staff on having such a fine season. Here's one team that takes pride in saying, "We've got the fever."

SPRING SEASON '71

Last year the Florence Gophers ended their season with an outstanding 18-4 overall record. The team traveled to state finals and one mighty proud Gopher team came home in second place in the Class B Division. The final loss was to St. John's Indians 7-3.

This year's squad is coached by Dan Turner who says his Gopher team has high hopes for another outstanding season. Although the team has lost six seniors from last year, nine lettermen are returning to fill their vacancies. The team is showing a remarkable amount of ability, co-ordination, potential and enthusiasm. With these qualities and the backing of their fine coach, this year's team should look forward to a very successful season.

New For FHS Cross Country

Added to the four major sports at FHS this was cross country. This sport was coached by Mr. LeDé, also new to the department.

The team consisted of six members - Ruben Reyes, Daniel Barkley, Steve Rieffer, Edmundo Manjarres, Bill Coomer, and David Daniel. The boys showed much interest, good potential, and skill. They were one of the strongest teams going and proved so by winning four of seven meets. These meets were run against Ray, San Manuel, Cholla High, and Buena High - all class A schools.

The going got rough toward the end of the season because of various injuries resulting in three losses for Florence. The team went to state in high spirits and hopes of victory. But luck ran low that day and Ruben Reyes, fastest timer, suffered a leg injury. Coach LeDé praised the team for a great season and remarked that they show promise for taking State next year.

Badminton Champs

Success could very easily define the '71 season of this year's badminton team.

Badminton was one of the first sports of this year in GAA. Several girls tried out for the team and all of them displayed potential as well as interest. During hard practices, skill was gained, resulting in good fortune for three particular team members.

Belinda Garcia rated number one in singles, and number one in doubles were Rosalie Garcia and Rosemary Manjarres. These three girls held an outstanding record all during the season. They also attended the Central Division and State Tournament held at Dysart. Belinda Garcia really proved her ability by coming home ranked third in the State.

The '71 season proved to be one of disappointment for this year's volleyball team. A fairly large group of high spirited girls started out their season with hopes of recapturing the divisional title. As the season progressed though, a streak of bad luck set in, making the capture of this honor seem unlikely.

Although these girls ended their season with a 2-6 record, they really kept their spirit up and showed excellence in skill and ability as well as their great interest throughout the entire season.

Miss Carol Gomes, the team coach, arranged a trip to the Arizona State University so that the team could watch volleyball matches being held during the season. This gave them new ideas for their skill building.

Though quite a few of the team members were seniors, many were underclassmen and should be returning next year in hopes of contributing to an improved season.

This year's tennis season opened with a great burst of enthusiasm as a large number of girls showed up for tryouts. During the first few weeks, they made use of the videotape machine in order to observe their mistakes and learn from them. Finally, through elimination, the team was narrowed down to the seven members it now contains. They then competed among one another to determine who would hold positions of number one singles, number two singles, number one doubles, number two doubles, and so on.

They are a young and inexperienced team, having only two seniors, one of whom is new to the game this year. Four of the team members are rank beginners this year, leaving only three players with any experience in competition on the courts.

Despite this handicap, the team is to be commended for the high spirit with which they are entering the season.

Happiness Is

The 1972 Saguaro Staff, under the supervision of Advisor Miss Marian Crough and Editor John Coomer, just barely completed the yearbook in time to get it before school was out. This year's staff met after school and on weekends struggling to meet four shipment deadlines to produce a professional-looking publication.

In a learning-by-doing process, the members of this first-year staff are as follows: John Coomer, editor-in-chief; Joe Ortiz, photography editor; Martha Garcia, layout editor; Carolyn Lippert, sports editor; Bobby Cox, business manager; and Dorothy Joaquin, copy editor. Other staff members are Barbara Rieffer, Linda Martinez, Debbie Valdez, and Keith Hezmalhalch.

Along with the problems of making writeups, layouts, and pictures and meeting deadlines, there was also the problem of financing the Saguaro. The price charged for the annual accounts for less than half the total price to the staff. The rest of the money has to come from the advertising sold and from various fund-raising projects.

We appreciate the cooperation of all students and staff who have helped us so much in our efforts.

FTA'S In Third Year

Future Teachers of America has experienced a growth from 18 members in their organizational year to 31 members in their year of activity. At the meeting in September, they elected Linda Martinez president, Nancy Lippert vice-president, Josie Lake secretary, and Angelina Manjarres treasurer.

Highlight of the club year will be a trip to the FTA Convention in the spring. Since members decided not to assess themselves dues, they will need various money-making projects to finance their trip. Another of the goals for FTA is to set up a tutoring system. Mr. English explains that under this system students who are proficient in a particular subject would help those having difficulty in that course.

Active Year For Future Farmers

Members of Florence Chapter of Future Farmers of America are among the most active students at FHS. They started their busy schedule on August 11-13 by attending the State FFA Leaders' Conference. On the 20th, the livestock judges attended a Herford field day in Patagonia.

Mike Myers was chosen to represent the Florence Chapter at the National FFA Convention this year.

During the school year, members attended the District FFA Meeting on November 9. The livestock dairy judges attended the Arizona State Fair in November. On the thirteenth, a few members attended the Angus field day at ASU.

On December 11, they had a parliamentary procedure contest at Amphitheater High in Tucson. February 19, they went to the District Field Day held at Central Arizona College. The annual FFA Sweetheart Ball was held on February 25, when Carolyn Lippert was chosen Sweetheart for the 1972-73 year.

On February 26, the Chapter sponsored an exciting donkey basketball game. Their Annual FFA Parent and Son Banquet was held in April.

Viva

Organized in 1960, the Spanish Club is one of the most active, as well as one of the most popular organizations on campus. Membership is open to any student who has taken or is currently enrolled in a Spanish class.

At their first meeting they voted to pay dues of .50 per semester. Fund-raising activities began on October 23 with their first Taco Day, a project that proved so successful it was repeated several times during the year. All money raised by the club is added to income from dues and used to finance their annual banquet held in the spring.

Members are to be commended for their two charitable projects. On one occasion they collected donations for the mentally retarded. For their November activity, they contributed cans of food to help needy families during the Thanksgiving holidays.

But all was not work for the Spanish Club. They had their share of fun, too. They have held piñata parties every month to celebrate birthdays of their members.

FHA initiates new members.

America

The Florence Chapter of Future Homemakers of America got off to a good start this year. FHAers installed the newly elected officers in the spring. Next was the initiation of new members.

On November 13th, Florence Chapter, together with the Coolidge Chapter, attended the District meeting in Casa Grande. Tami Clark was elected District Public Relation Chairman.

At Christmas the chapter made favors for patients at the Pinal County Nursing Home and sang carols for the patients.

During the year they raised money for their projects through their December bake sale, their February sale of cherry pies, and their sale of cookbooks from the Favorite Recipes of Home Economics Teachers series.

They went to the state convention at Arizona State University in Tempe late in March.

At their first meeting this year the Library Gophers set their annual dues at .50. Their first activity was a visit to the library at Arizona State University on October 15. Their tour of the library completed, they proceeded on to the Food Bazaar on Camelback where they had lunch. Included on their itinerary was a visit to the Phoenix Zoo. The group was accompanied by Patsy Encinas and Mrs. Helen Ortega who assisted Adviser Miss Turner in supervising the members.

Their second project was a Hallowe'en party. Early in the spring they plan to make a trip to Phoenix where they will visit the New London Wax Museum on Van Buren Street. Afterwards they will continue on to the Capitol Building and a tour of the State Department of Library and Archives.

A bake sale in February helped to provide funds for an excursion in April to see the Ice Capades at the Phoenix Coliseum. They are planning their traditional party in May to bring the school activities to an end.

Pep Club

Go, Gophers! Win, team, win! These are the familiar phrases and sounds heard at pep assemblies and athletic events. All students interested in supporting our teams belong to Pep Club. The Pep Club sees to it that there is someone present to support the team.

The Pep Club, one of the largest organizations at FHS, arranges for many activities throughout the school year. For out-of-town games, the club takes busses filled with enthusiastic members.

This year the Pep Club had a successful year. They acquired a siren to set off after every touchdown made during the football season. They set their dues at \$1.00 a year. Members attending all the games received an award at the end of the school year.

Lettermen's activities this year have been varied and numerous. After the varsity season had ended, they sponsored six football games featuring the town team against Superior, Ray, and Apache Junction. They sponsored the junior high basketball tournament during Christmas vacation and the California Cuties game in January. They worked the concession stand during the basketball season. They had a taco day at noon the day of the final football game of the season. In February, they sold plastic cushions. Income from all these projects went toward paying for players' insurance and for spring and summer field trips.

Changes were made in their constitution this fall. In both football and basketball, qualifications for membership were changed from 12 to 16 quarters. Another change in lettering was made to help the player who falls just short of points at the end of the season. Such a player may now be awarded a letter at the discretion of the coach who considers the player's attitude, spirit, enthusiasm, and sportsmanship. A change was made in dues. Now a player who has earned a letter automatically becomes a member of Lettermen by payment of \$1.00. No further dues are assessed.

The Girls' Athletic Association was organized to increase the health, athletic program, and sportsmanship of girls through athletic and social activities. Miss Carol Gomes, program director at FHS, coached her volleyball, badminton and tennis teams this year again with great success.

The GAA was very active not only in sports but in holding various fund raising projects throughout the year, such as bake sales and admission charges to volleyball games. They carried out their traditional Christmas party and also added extra sparkle to one happy Florence family by providing them with a tree, gifts, and food for their almost "lost" Christmas.

The Girls' Athletic Association has really become one of the most worthwhile organizations at Florence High School. The members of this organization not only become better sports but also are happier and healthier people.

Ringling Voices

Florence High School can be proud of the members of this year's chorus who not only provided entertainment for the student body but also answered requests to perform for various clubs and organizations in the community.

The chorus appeared twice for Florence Woman's Club, adding a special touch at one of these performances. On this occasion, a male quartet composed of Mike Ellsworth, George Ortiz, Larry Gutierrez, and Jerry Toner, sang a special number "Birthday of a King."

On campus, the chorus was the spotlight of the traditional Christmas assembly. Their voices blended in harmony to help make the season an enjoyable one for everybody.

Add Enjoyment

A special group composed of several outstanding voices is selected every year to provide entertainment on special occasions for local organizations. This year's special group was comprised of the following vocalists: Kathy Kent, Patsy Padilla, Andrea Feliz, Belinda Garcia, Kara Lewis, Donna McWilliams, Valarie Holt, Ria Padilla, Pati Roberts, Sissy Roer, and Dawn Frizzell.

The girls sang for Florence Music Club, Rotary, Florence Woman's Club, Pinal County Nursing Home, and the Delta Kappa Gamma Society. Their selections, consisting of both modern and traditional music, added a very special touch to the choir's programs.

Cheer With Pep And Spirit

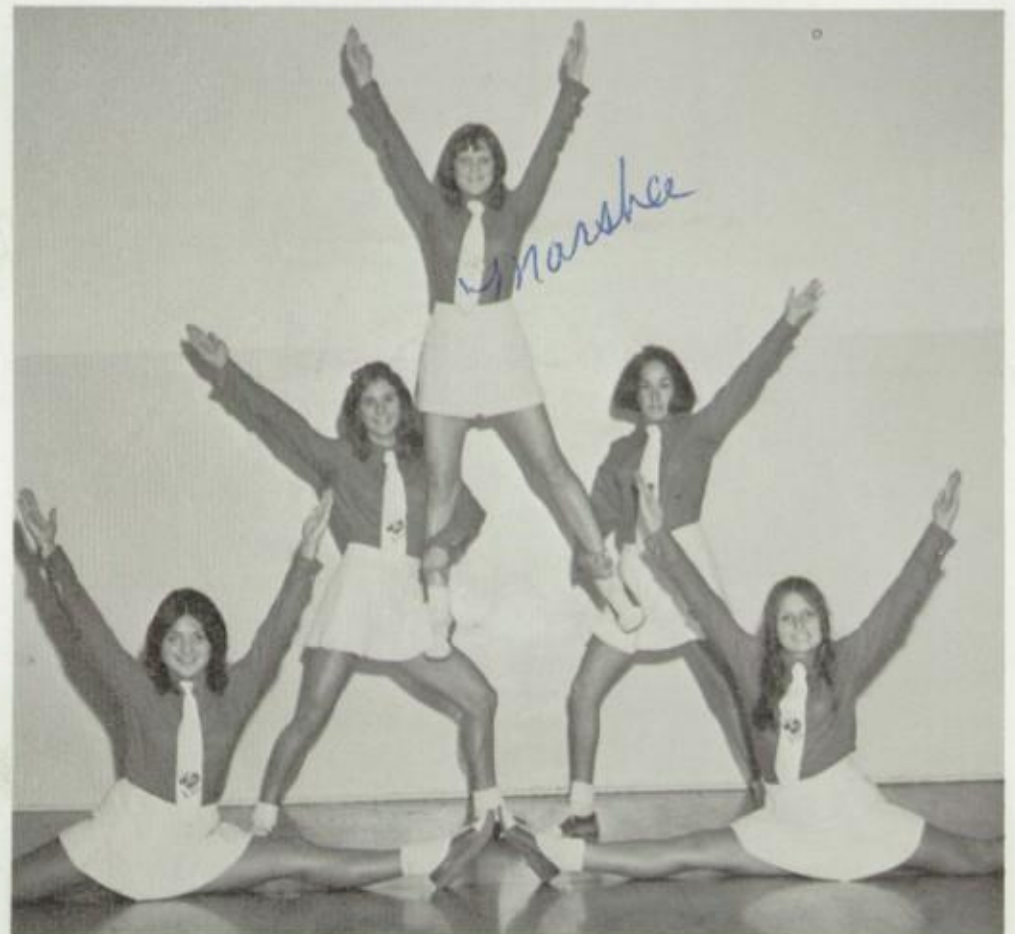

CAPTAINS: Pamela Harvey, captain; Etta Ramirez, co-captain

Last spring both varsity and junior varsity cheerleaders were selected by popular vote. They were required to learn an existing cheer and to create one of their own which they performed before an assembly of the student body.

Three of the JV's attended camp this past summer to gain experience and poise in leading cheers. It was Pamela Harvey, Carolyn Pensyl, and Marsha Feliz who attended the Camp of Champs from July 11 through 17 at Northern Arizona University. They returned with several awards won at camp and commendation for their exceptional display of spirit. One excellent ribbon, one outstanding ribbon, and three honorable ribbons are on display in our trophy case as a result of their efforts.

During the year, the girls have held many a bake sale to earn the money necessary to purchase their uniforms. To perfect their routines, they practiced every day after school during football and basketball season. JV Cheerleaders performed at pep assemblies and rallies and attended all freshman and JV games to lead Gopher fans in their support of the teams. It has been a most exciting and wonderful year for these five girls.

Spirit Of '71

Spirit was a word that spoke loudly in behalf of this year's Varsity Cheerleaders. Working together to earn the high honors they received this year was well worth their time and effort. They received 3rd place in their division at a workshop last May at ASU; and during the summer, they brought back the highest honor from camp - the Spirit Stick - and also earned several ribbons for their effort. Dawn Frizzell was awarded a trophy for her performance in gymnastics class.

During the summer and football and basketball season, the girls earned their money for uniforms from selling ribbons and buttons, having a steak fry, holding bakesales, and selling

sandwiches. They sponsored the fireworks at home football games and also held a very successful spirit week to set off the Homecoming festivities.

This year proved to be a happy one for these girls in more ways than one. Practice, ability, spirit and teamwork not only made this year memorable for the girls but also ended in high success.

And The Band

This year as in former years the band helped to boost the spirit of the school. They played at two out of town football games-Hayden and Apache Junction. On November first, they went to the state fair.

They are planning to send four juniors to music camp at A.S.U. The camp lasts two weeks and the cost is about \$125. a person. The band will pay half of this cost for each of the four that go. The money for this project is raised by selling candy. This year they sold candy on the week of November 15th - 26th.

Just before Christmas vacation they held their annual Christmas concert in the auditorium. They have been learning some cool new songs and some promising new members have been added to their ranks.

Jives On

The girls at FHS wishing to become majorettes go through a nerve-racking try-out each year before the band, hoping to be selected for membership in a fine squad.

Every girl must prepare a march and twirling routine. After their performance, the band selects them according to rhythm, twirling and marching ability, poise, and, of course, their interest in being a majorette.

During the summer, Peggy Villarreal attended majorette camp held in Flagstaff at NAU where she learned several new routine ideas to bring back and share with the other majorettes.

After all their hard work and hours of practice, this year's squad has added the finishing touch to the overall appearance of the band.

Pompons Keep Spirits High

CAPTAINS: Belinda Garcia, co-captain; Virginia Wolven, captain

The pompon squad of 1971-72 was one of the most successful groups elected at FHS in a long time. Working together and having the desire to be an extraordinary squad helped these girls make their year a success in every way. They earned money they needed for uniforms and equipment by sponsoring two work days, selling spirit ribbons, and putting on several bake sales.

The squad practiced hard to perfect their routines and make up new ones. Three members - Virginia Wolven, Pati Roberts, and Rita Celaya - attended pompon camp during the summer and brought back new routine ideas along with the ribbons they earned for outstanding performance. They were the highlight of the basketball half-time shows using the hits of today, "little pompons" and blacklights. Not only did they keep the team morale high and promote school spirit and sportsmanship, but they also realized the satisfaction that real teamwork brings.

Gopher Staff Sets New Goals

Editors Bernadette Joaquin, Brad Hannah, Adviser Mr. David English

Kevin Stoner, Editor-in-Chief

This year the Gopher Staff started off the year with new goals ahead of them. They worked under the direction of Mr. David English, a new teacher at FHS and met after school to put out the paper weekly.

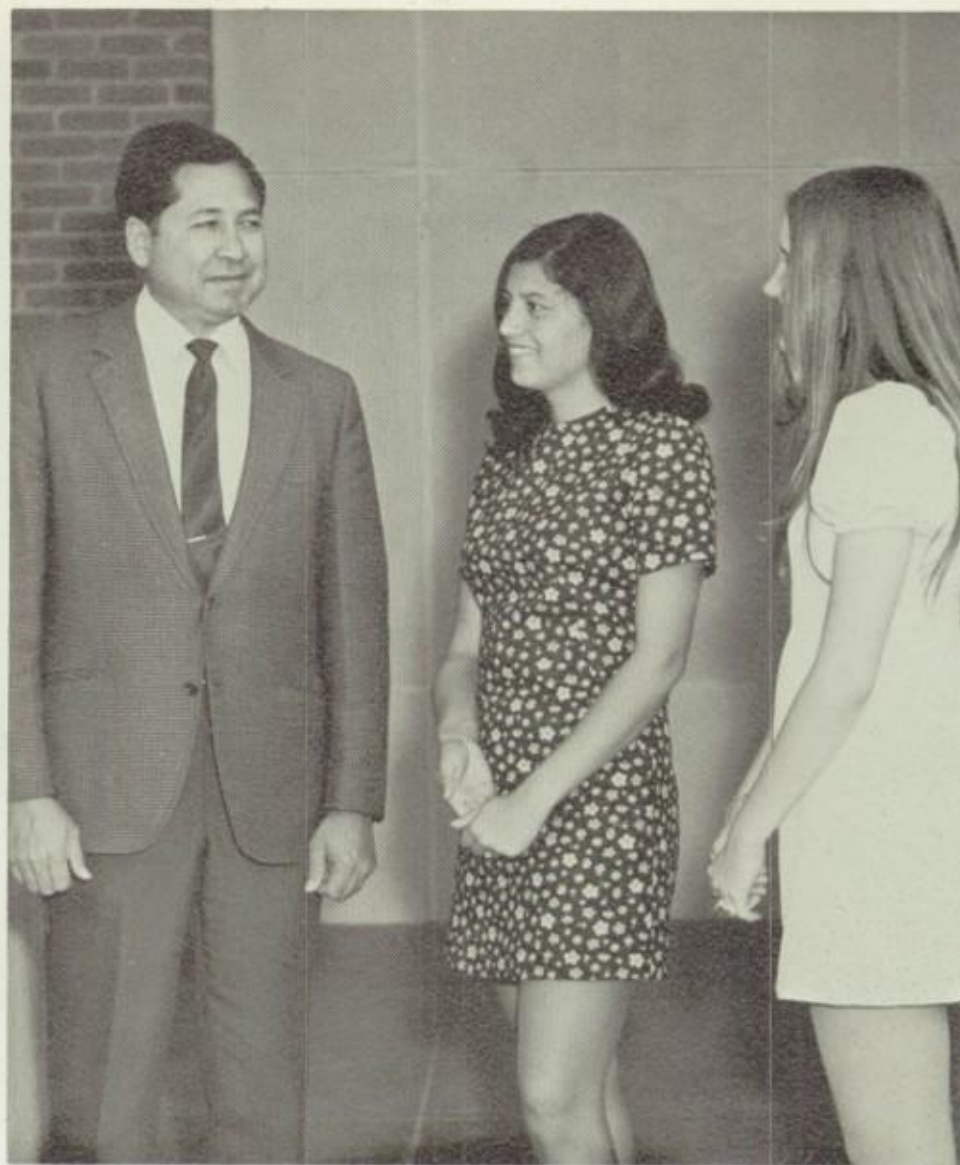

Their goals were to improve the quality of the writing, layout, and content. They also changed to a three-column page, added a want-ad section and an editorial page. In experimenting with color, they found that they could print two or more colors on one page. Several editions with color were printed.

The results of their work are outstanding and the Gopher will continue to improve in the future.

ADMINISTRATION

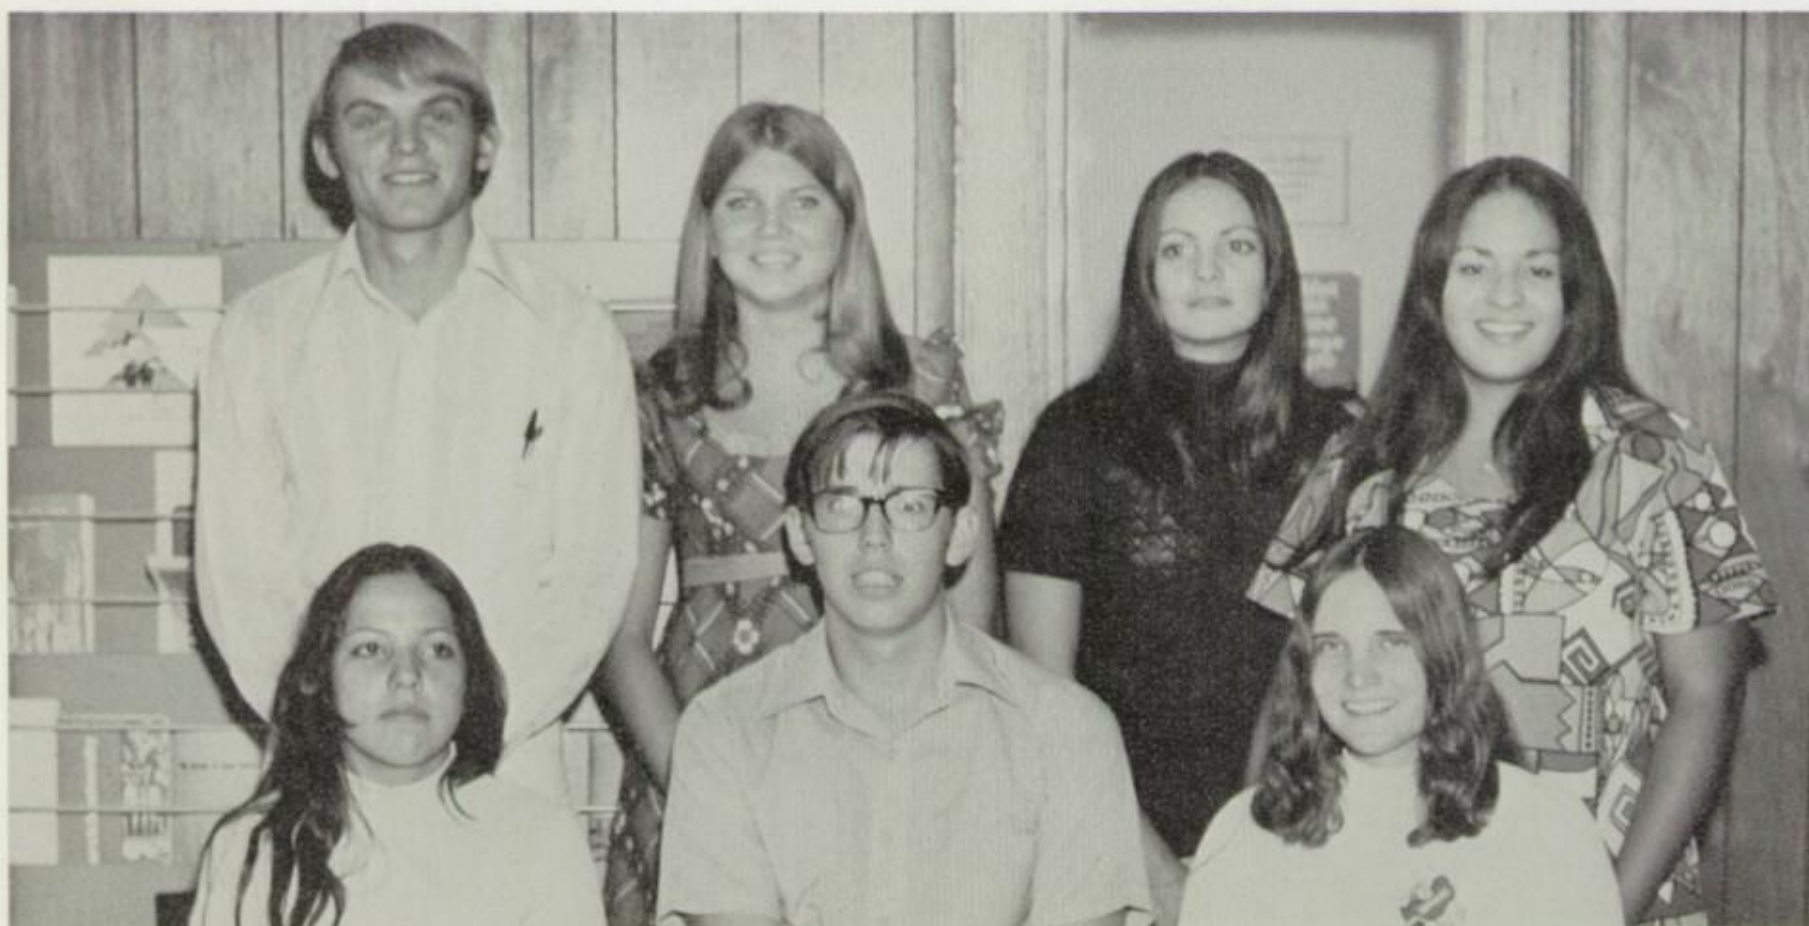

Council Spearheads

The purpose of Student Council is to assume the duties of self-government, promote student activity, bring closer relations between students and faculty, and assure better student cooperation and loyalty to the school. Working together with students and teachers, this year's council helped make this another successful year. They sponsored several dances, presided over assemblies and provided decorations during holiday seasons. Representatives kept everyone informed by reporting activities to their clubs and classes.

During the summer, Vice-President Nancy Lippert attended the Arizona Association of Student Councils held at ASU and brought back new methods and ideas for student involvement. Treasurer Kathy Kent, Secretary Barbara Rieffer, and Representative Dawn Frizzell also attended a convention of Student Councils held in December. Student Council has been an active organization almost since the school was formed, and keeping up its success will remain a vital part of FHS.

Lionel Goar
Superintendent

Mr. Lionel Goar, Superintendent of Florence High School, has been with us for five years. He has served the community as well as the school with great pride.

He attended ASU where he received his Master of Arts degree in 1961, attended U of A where he received his Bachelor of Science degree in 1957; he was Dean of Students at Sunnyside High and teacher and coach at Flowing Wells High and Camelback High.

Mr. Goar is admired and respected by the people of the community as well as the students of FHS for all he has done for us.

In 1953, FHS welcomed Mr. Frank Arthur Celaya to the teaching staff as an instructor in Spanish and history. Before teaching at FHS, he graduated from the University of Arizona and taught one year at Florence Elementary School.

In 1968, Mr. Celaya was appointed to the new position of Principal of Florence Union High School. Some of his responsibilities and duties as principal deal with school improvement, all student affairs, and interscholastic activities and public relations.

Frank Arthur Celaya
Principal

Miss Bernice McNaught
Counselor

Miss Bernice McNaught is now in her fourth year as counselor at FHS. She came to Florence with much experience in dealing with students. Having graduated from Wyley High School in Terre Haute, Indiana, she attended Indiana State University where she received her degrees. She earned a Bachelor of Science degree in physical education and a Masters degree in guidance and counseling.

Some of her former positions include Dean of Women at the University of Nevada and Dean of Girls at Sunnyside High, where she was employed prior to joining the staff at FHS. Miss McNaught assists the National Honor Society, advises Student Council, and assumes the responsibilities of guidance counselor.

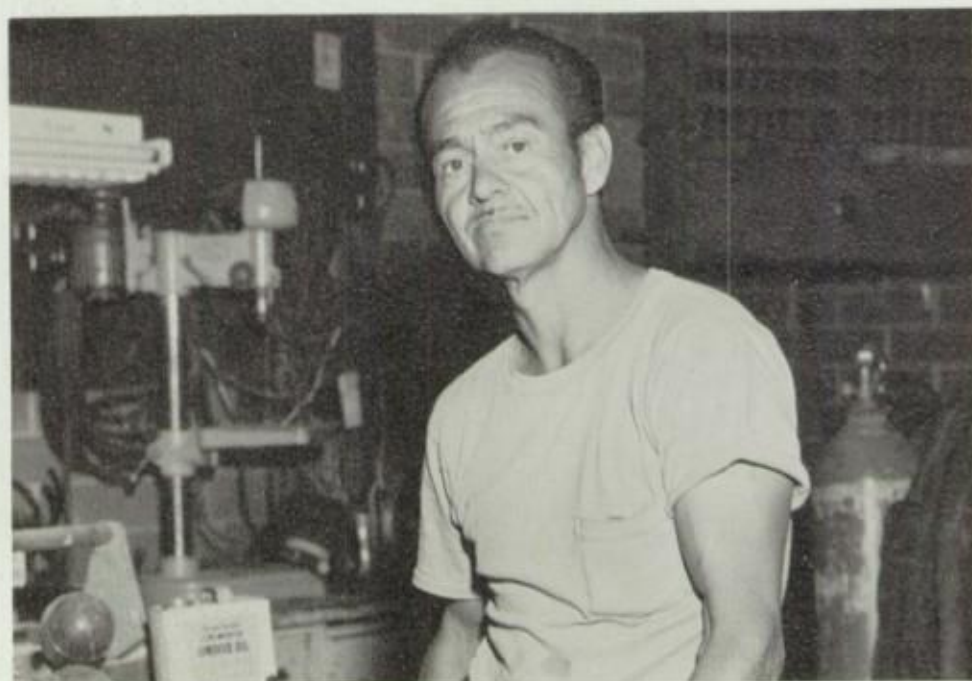

Eddie Ortega and Joe Valdez

CUSTODIAL STAFF

JOE VALDEZ heads a staff of five men who serve the school faithfully and well. JOE PADILLA, senior member of the team, has served FHS for more than a quarter of a century, keeping athletic equipment and grounds in good condition and driving the team bus. EDWARD ORTIZ keeps up the campus grounds. J. B. CARTWRIGHT serves as building custodian and night watchman. JOE ARMAS is in charge of repair and maintenance of all equipment.

Student Work Program

Learning by doing is the motto of the students participating in the work program. Local businesses and institutions cooperate with the school by offering part-time employment, thus providing an opportunity for students to gain experience and skill in the area of their interest and to learn good work habits that will be an asset to them in later years. Working as helpers at Pinal General Hospital are Micaela Rieffer, Debbie Valdez, Kim Westfall, Becky Baker, and Ria Padilla; David Wakefield works in the department of physical therapy, David Padilla works in the Xray lab, and Barbara Rieffer works with the laboratory technician. At the Elementary and Junior High the following work as teacher aides: Peggy Villarreal, Pati Roberts, Dawn Frizzell, Geary Diaz, Joe Ortiz, Patsy Gutierrez, Martha Garcia, and Vangie Mariscal; Rusty Ortiz is coach of the boys' B team. Richard Montañó works at the Apothecary Shop, Nancy Lippert at the Posie Corral, Benny Rodriguez at Doug's Standard Station, Andrea Feliz at TransAmerica Title Insurance Co., Virginia Wolven at Warren Morgan Realty and Insurance, Elaine Roer and Alma Ayala at Pinal County Health Department, Angelina Manjarres at Town Hall, and Patsy Padilla at the law library in Pinal County Court House.

SENIOR FAREWELL

Our years have been great;
 Our years have been fun;
 And our future years,
 Will show what we've done.

Board Of Education

Seated: Mr. Jeff Martin, Mrs. Betty Feliz; Standing: Mr. Melvin Burrows, Mr. Reginald Sheppard;
Not present: Mr. Allen Elliott.

During the past year, Florence High School has been under the supervision of three different school boards. The first was dissolved on June 30, 1971, as a result of our loss of union high school status. At that time, the five-member school board of Florence Elementary School District assumed their duties. Resignation of Mr. Edward Padilla resulted in the appointment of Mr. Sheppard to the board. A re-

call election on February 22 placed three new members on the board, Mrs. Feliz, Mr. Burrow, and Mr. Martin.

We have always appreciated the devotion of our school board members who have given so generously of their time and energies in the interest of education, and we wish our new board every success in their duties.

To You

At his desk

Mr. Goar can be seen working at his desk almost any time of the day and often late at night and on weekends, for a superintendent's work is never finished. He must answer correspondence, write communications to staff members, review teacher applications as well as vouchers, school board matters, budgets, government Title I applications, and interview salesmen, teachers, parents, students, and other townspeople.

Mr. Goar

On the patio

Mr. Goar finds time between classes, at noon, and during the afternoon break to chat with students in the west patio. It's a good feeling to know that someone is interested in us, our problems and our projects.

A Tribute

Lionel Goar

The yearbook staff and the entire student body of Florence High School are proud to dedicate THE SAGUARO - '72 to our superintendent Mr. Goar.

At the end of this school year, Mr. Goar can look upon five action-packed and exciting years at FHS. He says that each year he faces the problems of needs for stronger physical improvements in our school, of work-study that is meaningful for the students, and of offering the students more freedom of decision making.

Mr. Goar is proud of the students and faculty at FHA. He feels that every year our school improves because students have a more active voice in activities. Certainly our school curriculum has become more interesting and varied with every year he has been our administrator.

Public relations have improved during his five years at FHS. Through his participation in community activities, he has promoted the interests of the school and the students within the community.

Not only does Mr. Goar maintain good public relations with the townspeople, but he has the respect and the confidence of the students, who feel they are always welcome to come to his office and discuss their plans and their problems with him.

Mr. Goar has brought honor and distinction to the school through his activities in educational organizations and conferences. He is past president of the Class B Conference of the AIA, and he has been active in the Legislative Council of Arizona Interscholastic Association, NEA, AEA, Membership Committee of Arizona School Administrators- Division of Superintendents- in which he has served as chairman, and as an evaluator for North Central Association.

1. Congratulations, I hear you've been nominated "Sweetheart of the Year." (But, isn't that kind of embarrassing for a guy?)

2. Best wishes to the prettiest girl on the varsity wrestling team.

3. Sorry to hear the school lost your records and you'll have to repeat high school.

4. With your looks, your charm and your personality . . . you only have to worry about three things: Looks, charm and personality.

Laurie,
IT'S BEEN FUN KNOWING YOU
AND I HOPE WE WILL HAVE
EVEN MORE FUN NEXT YEAR.
I REALLY ENJOYED TELLING
YOU WHAT TO DO WHEN I
WAS YOUR T.A. SORRY I
WASN'T HERE FOR THE
LAST WEEK OF SCHOOL. I
HOPE YOU ENJOYED THIS
PAST SCHOOL YEAR AS MUCH
AS I DID. BE GOOD AND
STAY OUT OF TROUBLE.

*a friend
for ever
for days,*

*KEEP
SMILING 'CAUSE
GOD
LOVES YOU, (YOUR BIG SIS)
EVEN
IF NO-ONE
ELSE
DOES.*

Laurie

To a really nice
girl I got to know
better this year. Be
good & careful in the
years to come. I want
to wish you the Best
of Luck in the future
years at FHS.

A friend
Rosa S.

to Laurie

You're a real nice
girl & I enjoyed having
you in Band with me.
Good Luck in the
future and have a whole
lot of fun this summer.
Hope you're in Band next year.

To a chick that
I really don't know
so well, but that is
the way it goes.
Best of Luck

Laurie,
I hope you
enjoyed your
first year here and
you'll like next year
even better.
